You need a piece of cotton fabric (around 12" x 14")

With a water erasable pen, note the different lines,
and the place where you want to stitch out your design
At the top line make a little hem and stitch a nice lace along the edge.

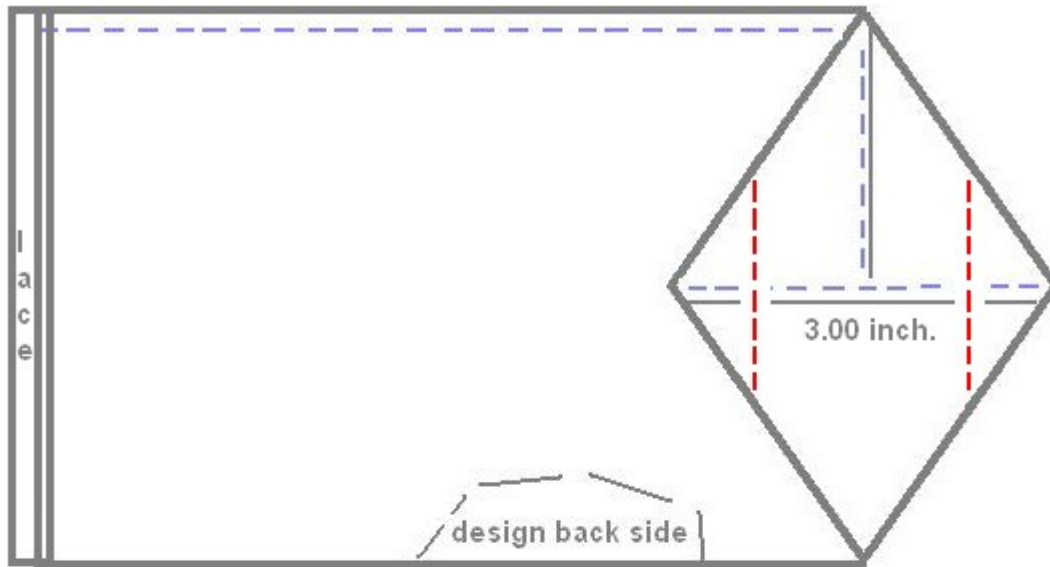

Working on the back side

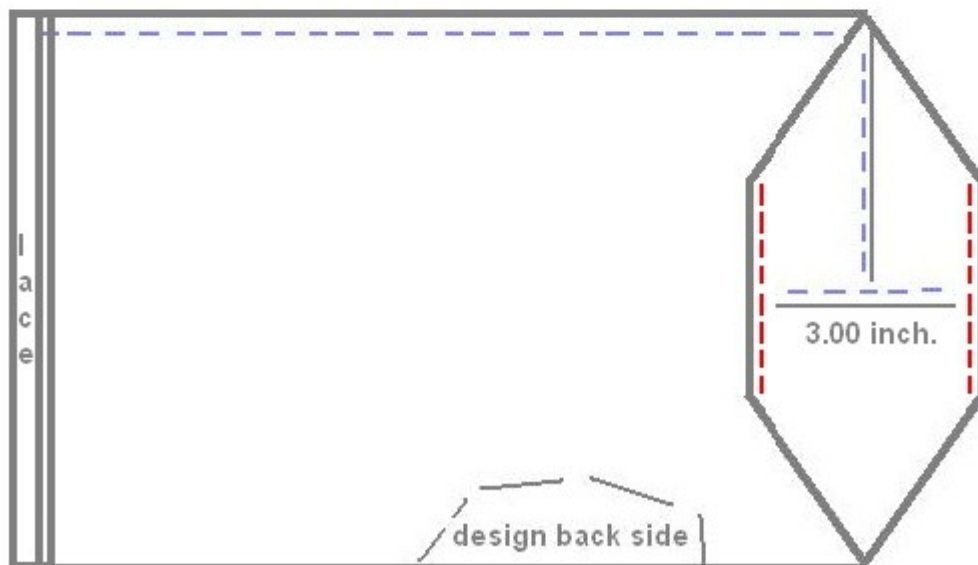

Fold up as shown and stitch along the bottom line

Fold up as shown and stitch (red stitches)

You must have 3.00 inch. between the 2 stitches lines

Cut out the excess of fabric (the triangle) along the (red) stitches lines

Turn on the right side
