Embroidery Tips:

Please stitch the sample before continuing

Read all the instructions carefully:

Fabrics medium to heavy - good quality table linen, or bought table linen. The bows and heart appliqués will be pretty stitched on bed linens as well.

- Hooping - taut but not overstretched
- Stabilizer- One layer, medium weight, hooped with the fabric – normal embroidery
- Always start with a new thin needle (75)
- Jumps have been limited to a minimum. I recommend trimming any jumps before continuing with embroidery as some colour stages are lighter on top and will show through.
