Thank you for purchasing these designs from *My Fair Lady*.

The colors given are just a guideline; please try using your own colors. They are also pretty sewn in just one color.

### COLOR CHART

Each design that includes a flower will follow the same sequence:

- Color 1: Light Peach (Flower/leaf fill, light stem outline)
- Color 2: Light Yellow (Flower shading)
- Color 3: Dark Peach (Flower/leaf outline, stem)

Each design that does not have flowers will follow the same sequence:

- Color 1: Light Peach (Flower/leaf fill, light stem outline)
- Color 2: Dark Peach (Flower/leaf outline, stem)

### BEADING SUGGESTIONS

1. Stitch only the first sequence. There will be openings in the flowers perfect for beads, and the light stem stitching provides the perfect outline for beading.

2. Stitch the first and last sequence. Leave out the second sequence. The openings in the flowers are perfect for light beading.

3. Stitch only the last sequence. This sequence is a pretty outline that can be filled with beads, sequins, etc.
