BEADING SUGGESTIONS

1. Stitch all three sequences. The tiny holes in the yellow and blue flower centers are pretty left alone or perfect for tiny beads. The leaves would also look nice filled with beads or sequins.

2. Stitch the first and second sequence. Skip the third sequence. The openings in the flowers and leaves are perfect for beading.

3. Stitch the first and third sequence. Skip the second sequence. Fill the flowers and leaves with beads.

COLOR CHART

The colors given are just a guideline; please try using your own colors. They are also pretty sewn in just one color or with metallic threads. All designs need to be stabilized.
