

OMA'S PLACE:
Free Designs: Boy Alphabet Add Ons 1

These are free samples of Oma's Place's boy miniature designs. They are intended to be used as add ons to plain alphabets you already own or in particular to Oma's Place's 4" Boy Applique Hobby Horse Alphabet. They also work well on little boy's clothing as accent designs or in the center of patchwork quilting squares. If you have any questions or concerns, please contact monika@omasplace.com. Thank you.
