*This design needs to have for favourite alignment stitches added when sent to your machine in VP3 format

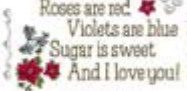

The remainder of the designs allow you to create the prayer using the picture above and below as templates. You may want to produce your own version.

You will need to stabilise these designs very well and I suggest that you use at least 2 layers of stabiliser. Because of the nature and the way these designs were created it resizing them may effect the stitch quality and alignment.

For my stitch outs I use Sulky Thread:

- Colour 1055 Tawny Tan for the text
- Colour 1322 Chartreuse for the leaves
- Colour 1815 Japanese Fern for the leaves
- Colour 1203 Lt. Weathered Blue for the violets
- Colour 1039 True Red for the roses
- Colour 1061 Pale Yellow for the flower centres
- Colour 1086 Pale Sea Foam for the hearts and borders
